Una Aventura en los Adirondacks

Third Annual Immersion Weekend
The Quarters at Lake George

Organized by your Upstate AATSP

Come immerse yourself in Spanish with other Spanish speakers in beautiful Lake George! The primary goal of the weekend is for native and non-native speakers to immerse themselves in conversational Spanish in a fun and relaxing atmosphere. We are very excited for this event, as it has been well received in past years. We hope you will join us for this fun filled weekend.
